Hello [REDACTED]

My name is Juan Solorio and I work for LA City Councilwoman Rodriguez. Are you reporting encampments through 311? That is the way to report them and start the process to have the encampment removed. The city does have legal procedure it must follow before removing any encampments. Once you have submitted the 311 request please share the service request number with me so that our office can try to expedite the request.

If you have the current service request number for the encampment in question, please share that with me.

Lastly, if you can provide your address and the best number to reach you so that I can complete adding you to my contact's list.

Thank you, Peter. We keep reporting the tents/camping on sidewalks and it takes months to get anything done. Then they just come back. Thanks for all you do for our community.

Hi [REDACTED]

Thank you for asking about homeless camps an illegal parking on Olive View Drive and Foothill. All we can do is call and report to City via 311 or to Council Office.

With much appreciation for your efforts to make Sylmar a better community for all,

Peter Postlmayr
Sylmar Neighborhood Council
Homeowner Representative
Planning and Land Use Committee Chair

Thank you Peter. Anything we can do to speed up response to homeless camps and illegal parking on Olive View Drive and Foothill?

There will not be a meeting in March for the Sylmar Planning and Land Use Committee. We will resume in April.
